Your Profits Grow in Verhalen Plants

POLICY—

Our policy is to furnish stock fully graded and properly named. Any deviation from this plan will be accidental and we assume no responsibility greater than the invoice amount of the stock involved.

TERMS—

ALL SALES ARE STRICTLY CASH with the one exception of those whose credit has been established in past years. Nursery supplies are cash to everyone alike. Open account sales 2%—10. Net 30 days.

Payments made on stock reserved for later deliveries are subject to 5% discount, cash with order.

Payments made within 10 days after receipt of invoice are worth 2% discount.

All other sales are due no later than 30 days after invoice date and at net amount shown.

PAST DUE ACCOUNTS WILL BE CHARGED AT 6%.

25% deposit is required for stock reserved for later delivery.

Nursery supplies are net cash to everyone alike!

CLAIMS—

Our responsibility for condition of plants being shipped ends when we make delivery in good order to the transporting companies. Damages inflicted thereafter are to be taken up with the carrier. We will assist when we can help in settling such problems.

Claims for quality of stock must be made within 10 days after date of invoice. LATE CLAIMS WILL NOT BE CONSIDERED.

PACKING CHARGES AND TRUCK DELIVERIES—

Baling, boxing or crating for local freight or express shipments will be charged at cost. No charges are made for bulk truck or car loading.

Deliveries to customers in Dallas on invoices of \$50 or over will be made on our truck at F.O.B. Dallas Warehouse prices.

To other destinations where two or more orders are delivered in the same load each customer will be charged proportionately as to mileage and size of his order.

DELIVERY CHARGES PAYABLE AT TIME OF DELIVERY.

ORDERS—

All orders are accepted with the understanding that we are not to be held liable in event of accidents, extremities of weather or other causes beyond our control.

Prices herein cancel all previous listings. We reserve the right to alter prices at any time.

CONTAINER GROWN STOCK

The introduction of Container Grown or Canned Plants is relatively new in our Southwest areas. Nevertheless, its rapid acceptance by the Nursery trade and general public proves its practical value.

Canned Plants are helping in a large way to make the landscape business a year round enterprise rather than seasonal as heretofore. Canned Plants are taking the summer slump out of salesyard receipts. An attractive display of plants throughout the summer will pay for the operation of a retail yard and bring profit to the owner as well.

Plants growing in cans may be harvested in any kind of weather. A truck may be loaded without advance notice of arrival, and the stock moves without loss.

CONTAINER STOCK

Biota orientalis howardi.....BLUESPIRE ARBORVITAE

More columnar and darker than Baker Arborvitae. Bluish foliage prompts its name. Keeps its good color during dry or cold weather.

OUTDOOR GROWN LINERS

Dear Steve,

The liners we got from you are of outstanding quality and doing very nicely despite the dry summer. We have no trouble distinguishing them from those purchased from other sources.

With best regards and good wishes,

R. N. G.

Dear Steve,

Been mighty dry here all season, but your liners are out in front of the others.

Kindest regards,

R. L. B.
